

Proostook
Pioneer

The image features a highly decorative calligraphic title. The word "Proostook" is written in a large, bold, black Gothic-style font. The letter 'P' is particularly large and ornate, with a long, sweeping tail that loops back under the word. The word "Pioneer" is written below "Proostook" in a similar Gothic font, though smaller. The entire title is embellished with intricate black flourishes, including various scrolls, loops, and decorative lines that intertwine with the letters. The background is plain white.
